THIS IS NOT MY WORLD,
THIS IS EGYPT IN THE
31ST CENTURY BC.

You wake up, Prince Benil, invite you to change clothes.

My name is Mi Xiyao, I'm from Haizhou in 3020.

I CAME FROM THE FUTURE USING A TIME MACHINE TO FIND TREASURES.

My father used a time machine to take me to ancient Egypt in 3100 BC to find the treasure.

TWINKLE

Here let me eat well, wear nice, use a lot of good stuff.

So really suits your position, let us serve you change clothes.

Everyone go out first, I'll change clothes.

Yes!

I WAS SAVED BY THE WIFE OF THE FIRST EGYPTIAN KING, BENIL. NOT KNOWING HOW I REPLACED HER IDENTITY AND LIVED IN THE PALACE.

Thanks for saving me.
My name is Benier.

The people in my country are dead, it's no longer meaningful for me to live.

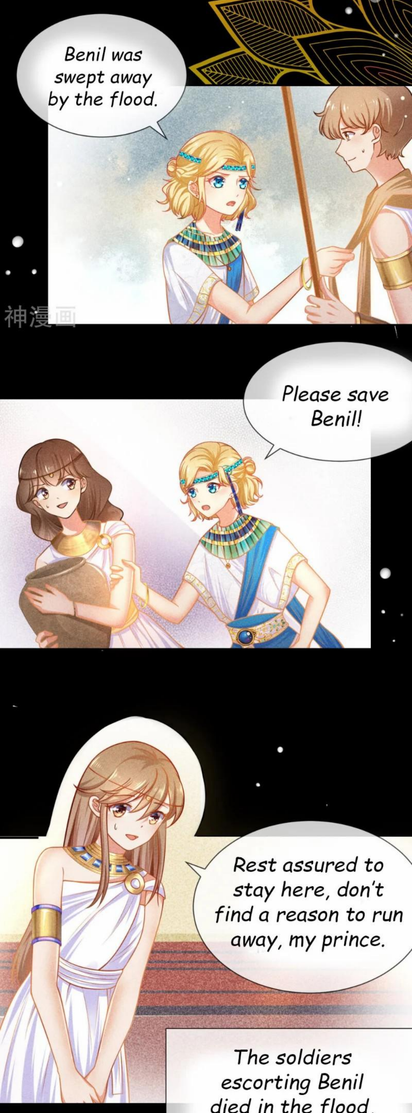
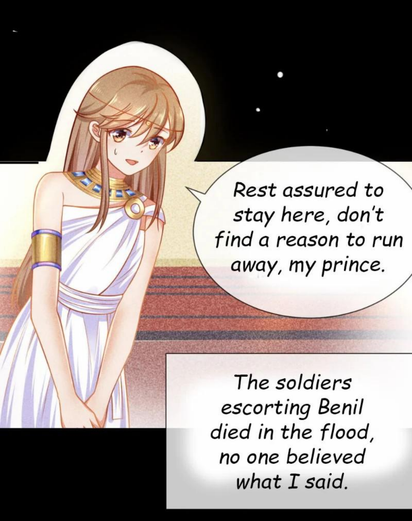
I stumbled into the flood when I teleported to Egypt, and I was saved by Benil,
but she was swept away by the flood, without any trace.



Because this bracelet represents Benier's identity and the content of the previous battle report, people think I'm Benil.

Benil was swept away by the flood.

Please save Benil!



Rest assured to stay here, don't find a reason to run away, my prince.
The soldiers escorting Benil died in the flood, no one believed what I said.

BECAUSE THE BATTLE REPORT DIDN'T WRITE ABOUT BENIL'S GENDER, PLUS MY HAIR WAS SHORT, MY AGE WAS SMALL, EVERYONE ASSUMED I WAS A BOY.

PRINCE!

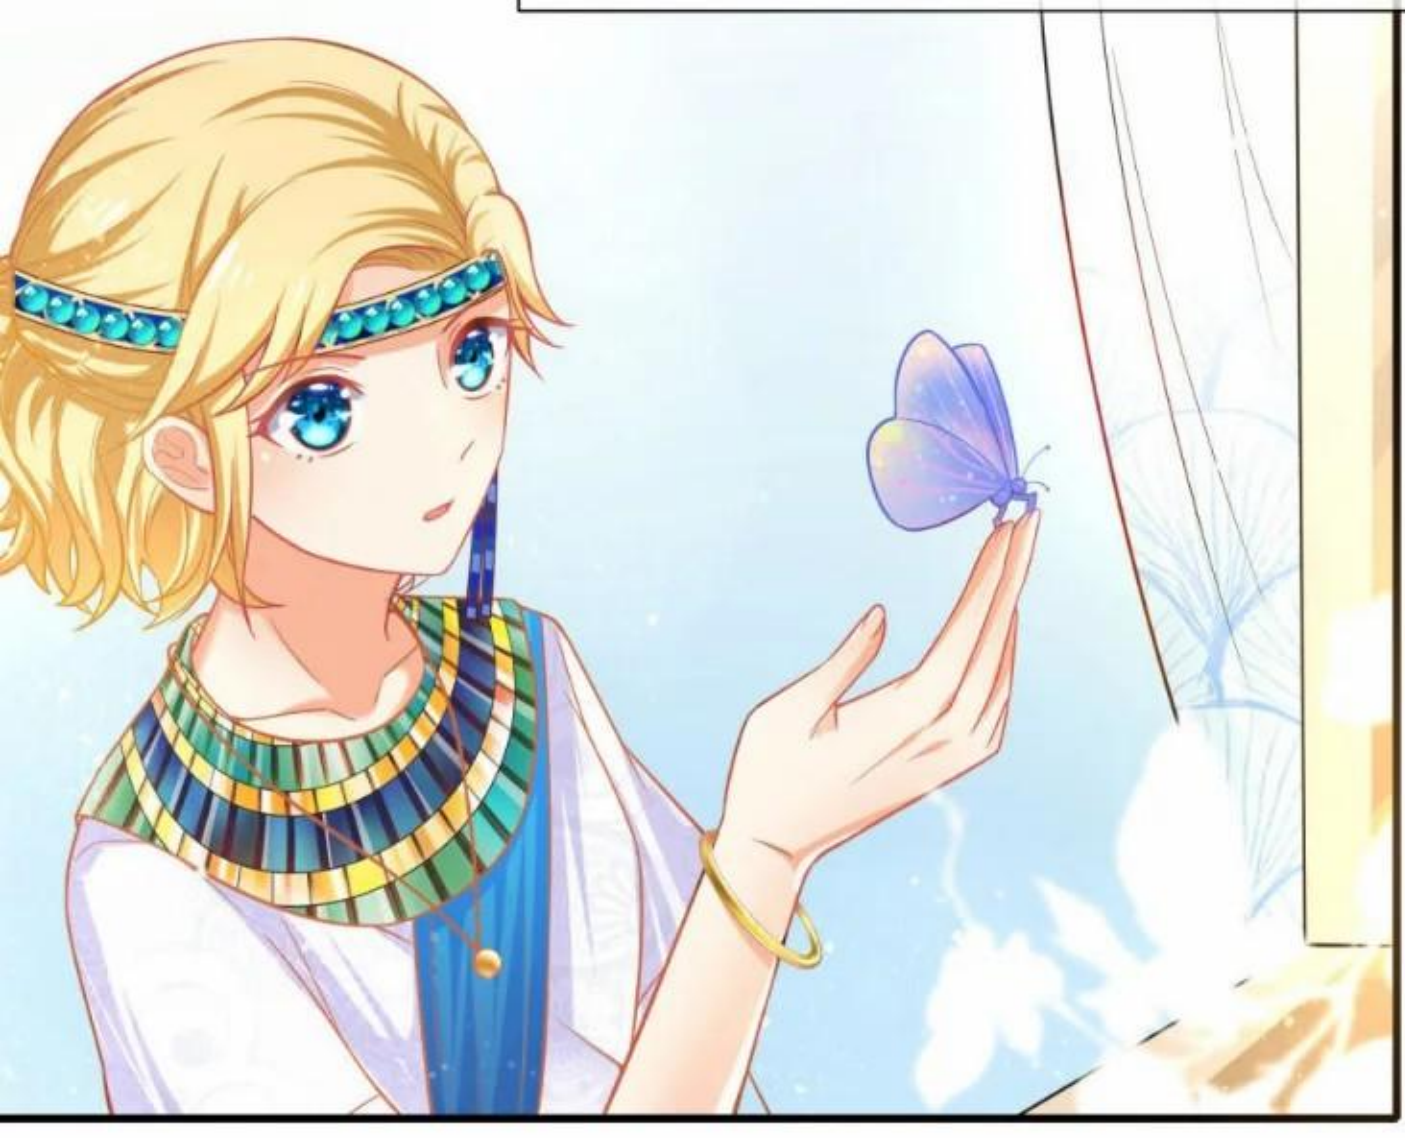
Is it unclear?

The battle report didn't write about Benil's gender, plus my hair was short, my age was small, so everyone assumed I was a boy.

I HAVE TO FIND TRUE BENIL, I CAN'T CHANGE HISTORY, I HAVE TO GO BACK TO MY ERA.

Benil is not only a gift of a defeated country, I remember very clearly in history, she is exactly the future wife of the first Pharaoh, Menis.

The butterfly effect, each deviation of the present will make a big change in the future.



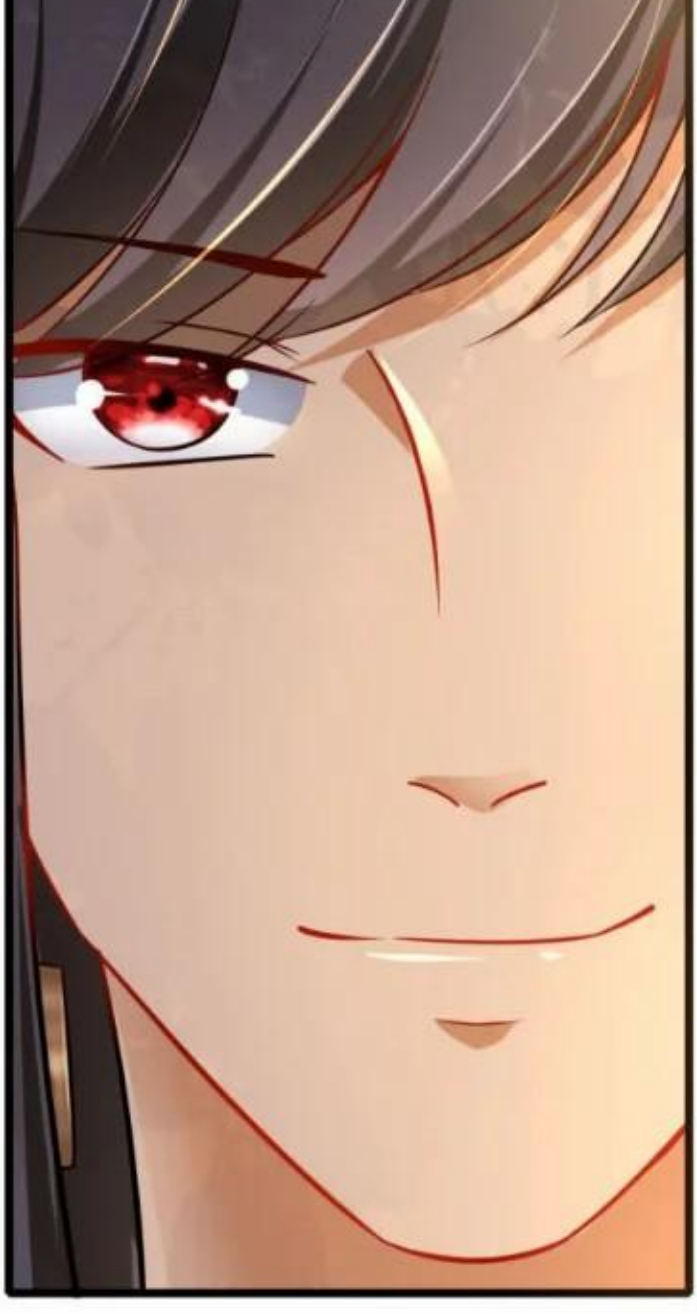
Perhaps my father and me will not appear in the future.

And with Benil's help, I definitely won't give up on finding her.

神漫画

BUT THERE SEEMED TO BE A MYSTERIOUS PERSON WHO KEPT ME FROM ESCAPING, LIKE A CAT AND MOUSE, I WAS COMPLETELY CONTROLLED BY HIM.

FINALLY, THE MYSTERIOUS PERSON APPEARED, WHO IS THE KING OF EGYPT, MENIS.



Unexpectedly can tame my lion.

Interesting.

HE IS LIKE A DESERT WAITING FOR A HEAVY RAIN. HE WAS WALKING TOWARDS ME, PAMPERING ME, AS IF I WERE HIS SUN, HIS POPPY FLOWER.

Who is he ...

HE SAID HE DIDN'T SEE ME FOR A SECOND LIKE A FEW YEARS. HE SAID HE ALWAYS MISSED ME EVERY DAY AND EVERY NIGHT.

You don't think, don't think leave me.

BUT I'M NOT THE REAL BENIL. MY APPEARANCE WILL REVERSE HISTORY, BUT THE FUTURE IS DESTINED FOR HIM.

PRAYER, REBIRTH, SPACE AND TIME CHANGE, HOW IS IT ULTIMATELY?

IF LIFE IS JUST LIKE THE FIRST TIME MEETING, HOPEFULLY LIFE IS JUST LIKE THE FIRST TIME MEETING.

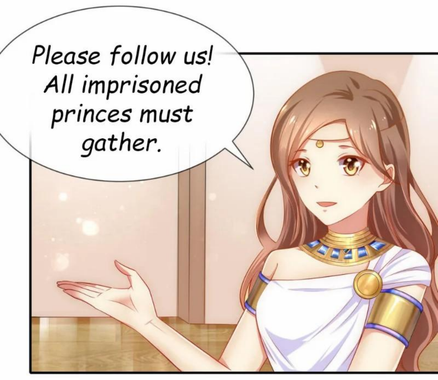
You wake up, Prince Benil, invite you to change clothes.

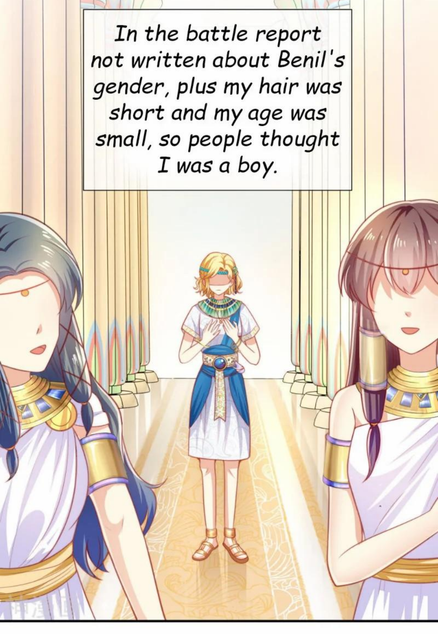
My name is Mi Xiyao, I'm from Haizhou in 3020.

Using the time machine to go to Egypt, I accidentally have a bracelet.
This bracelet represents Benil's identity, so people think I'm Benil. Regardless of what I explain, they do not believe.



Please follow us! All imprisoned princes must gather.

The Prince?
Is it unclear?



In the battle report not written about Benil's gender, plus my hair was short and my age was small, so people thought I was a boy.

HELP ME!

Over there is ...

No, I don't want.

Princess Carmon said, can't cure lion's disease, what is the benefit to nurturing prisoners like everyone?

Hurry up! Follow me! Can not cure the lion's disease, throw you for the lion to eat.

STOP!

Let me replace her.

Prince Benil, Pharaoh's lion, Shu, has injured many people. Not a kid like you do a hero.

Do not try, do not know. Maybe a child like me is more brave than everyone.

The work is a tamer.

Shu is running crazy.

Help me!

Is anyone there? Who is here to take Shu away?

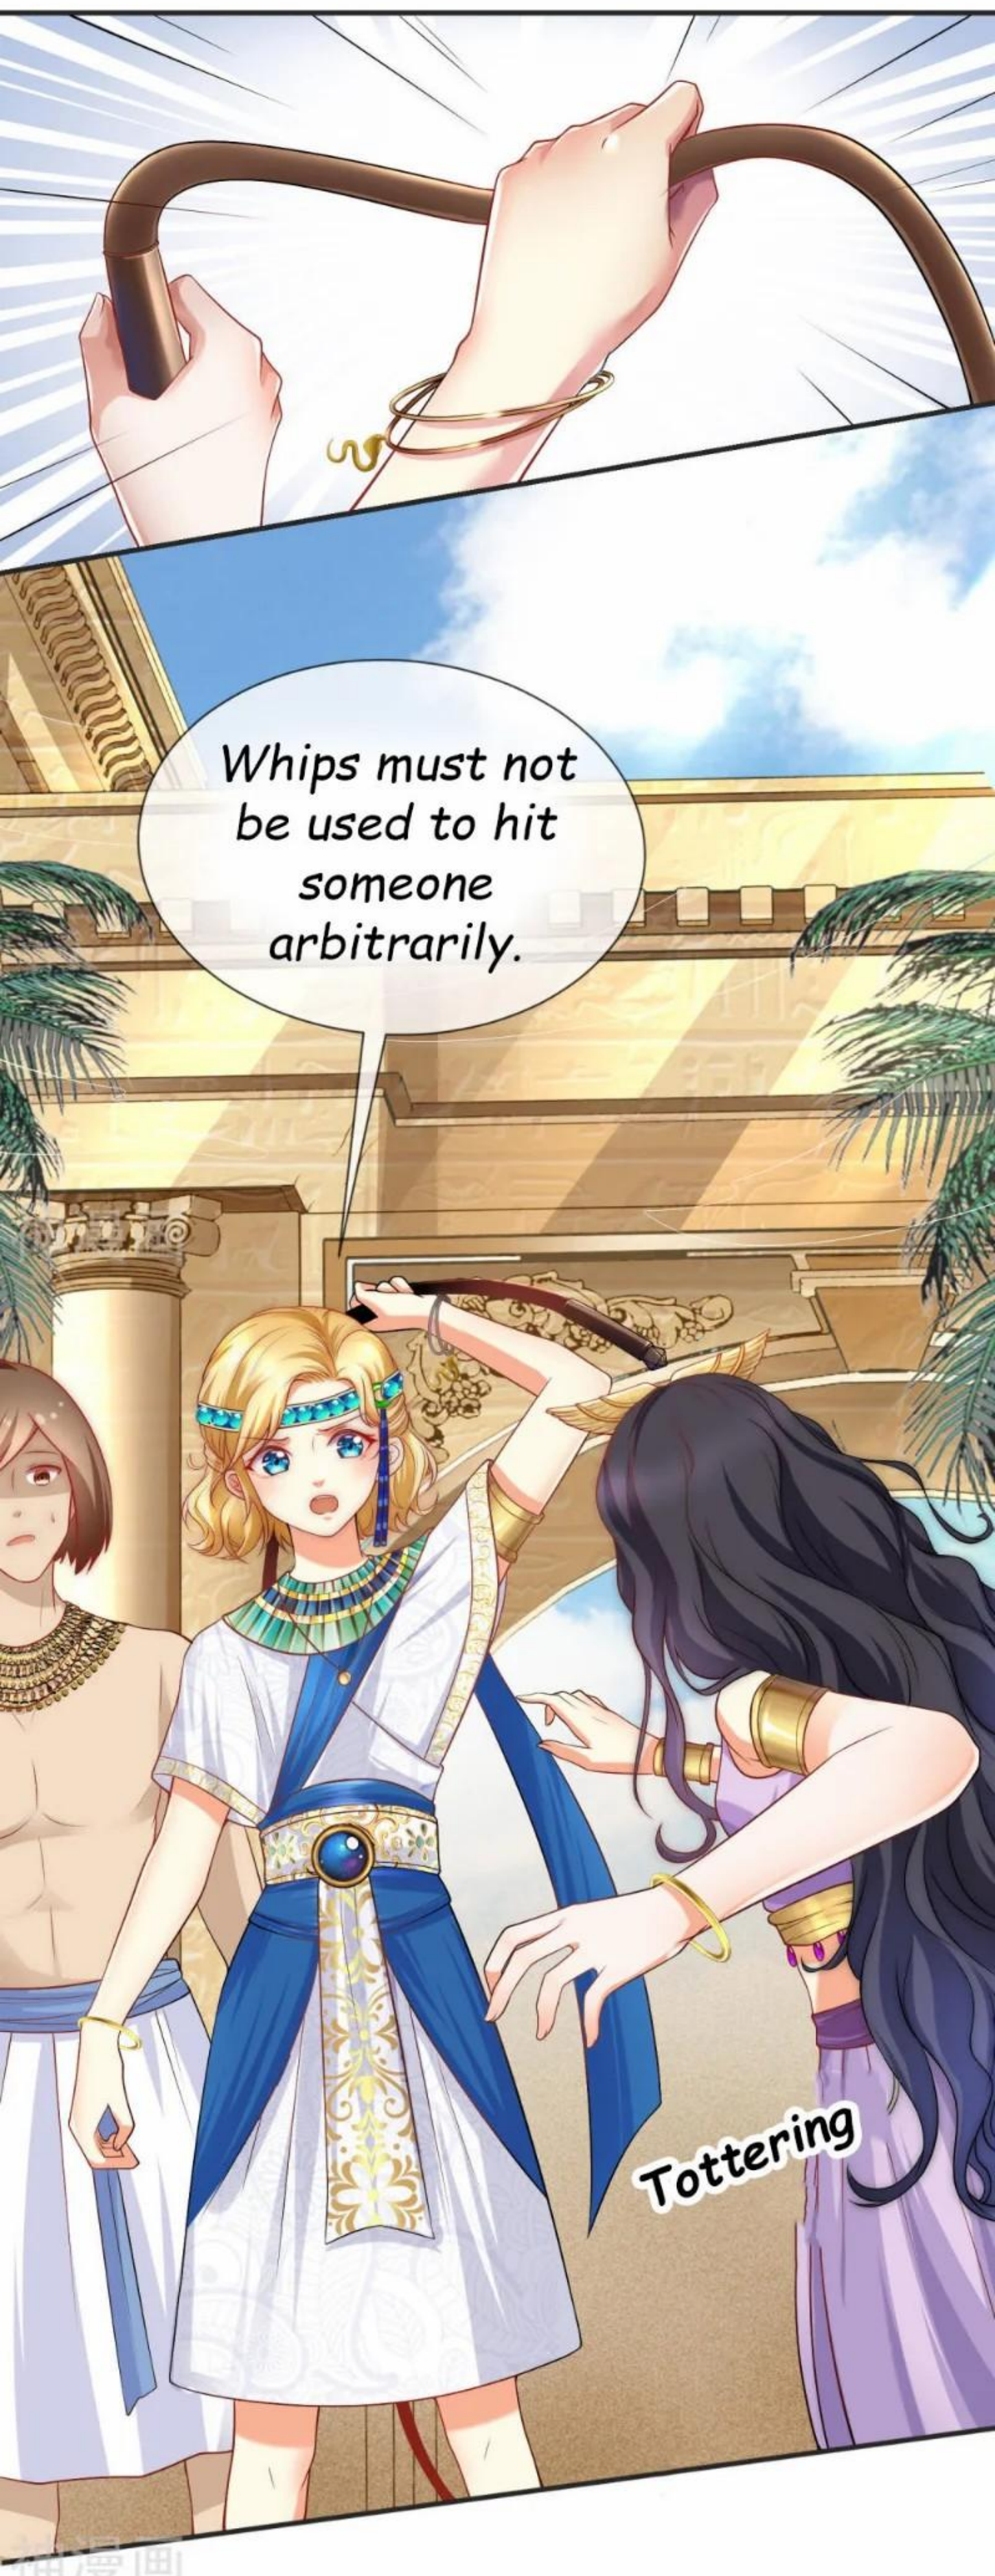
Let's go, prince! This is not where you can be here.
It needs me to take care.
The noble Shu is not arbitrarily cared for by a rude outsider like you.
Bastard!

You take care of Shu like that, right? Letting others go to its place arbitrarily.

神漫画



Who are you? Dare to be rude to me?

I am not rude to you! I just prevent your ridiculous behavior!

This is the prince who has been looked after by Pharaoh recently.

My brother is really very kind. Prisoners of a defeated country are served like that.

He is appreciative of the prisoner, if I teach him in front of people, he will be unhappy.

You go away!

Can't! Shu is sick! Here only I take care of it, I am a tame person.

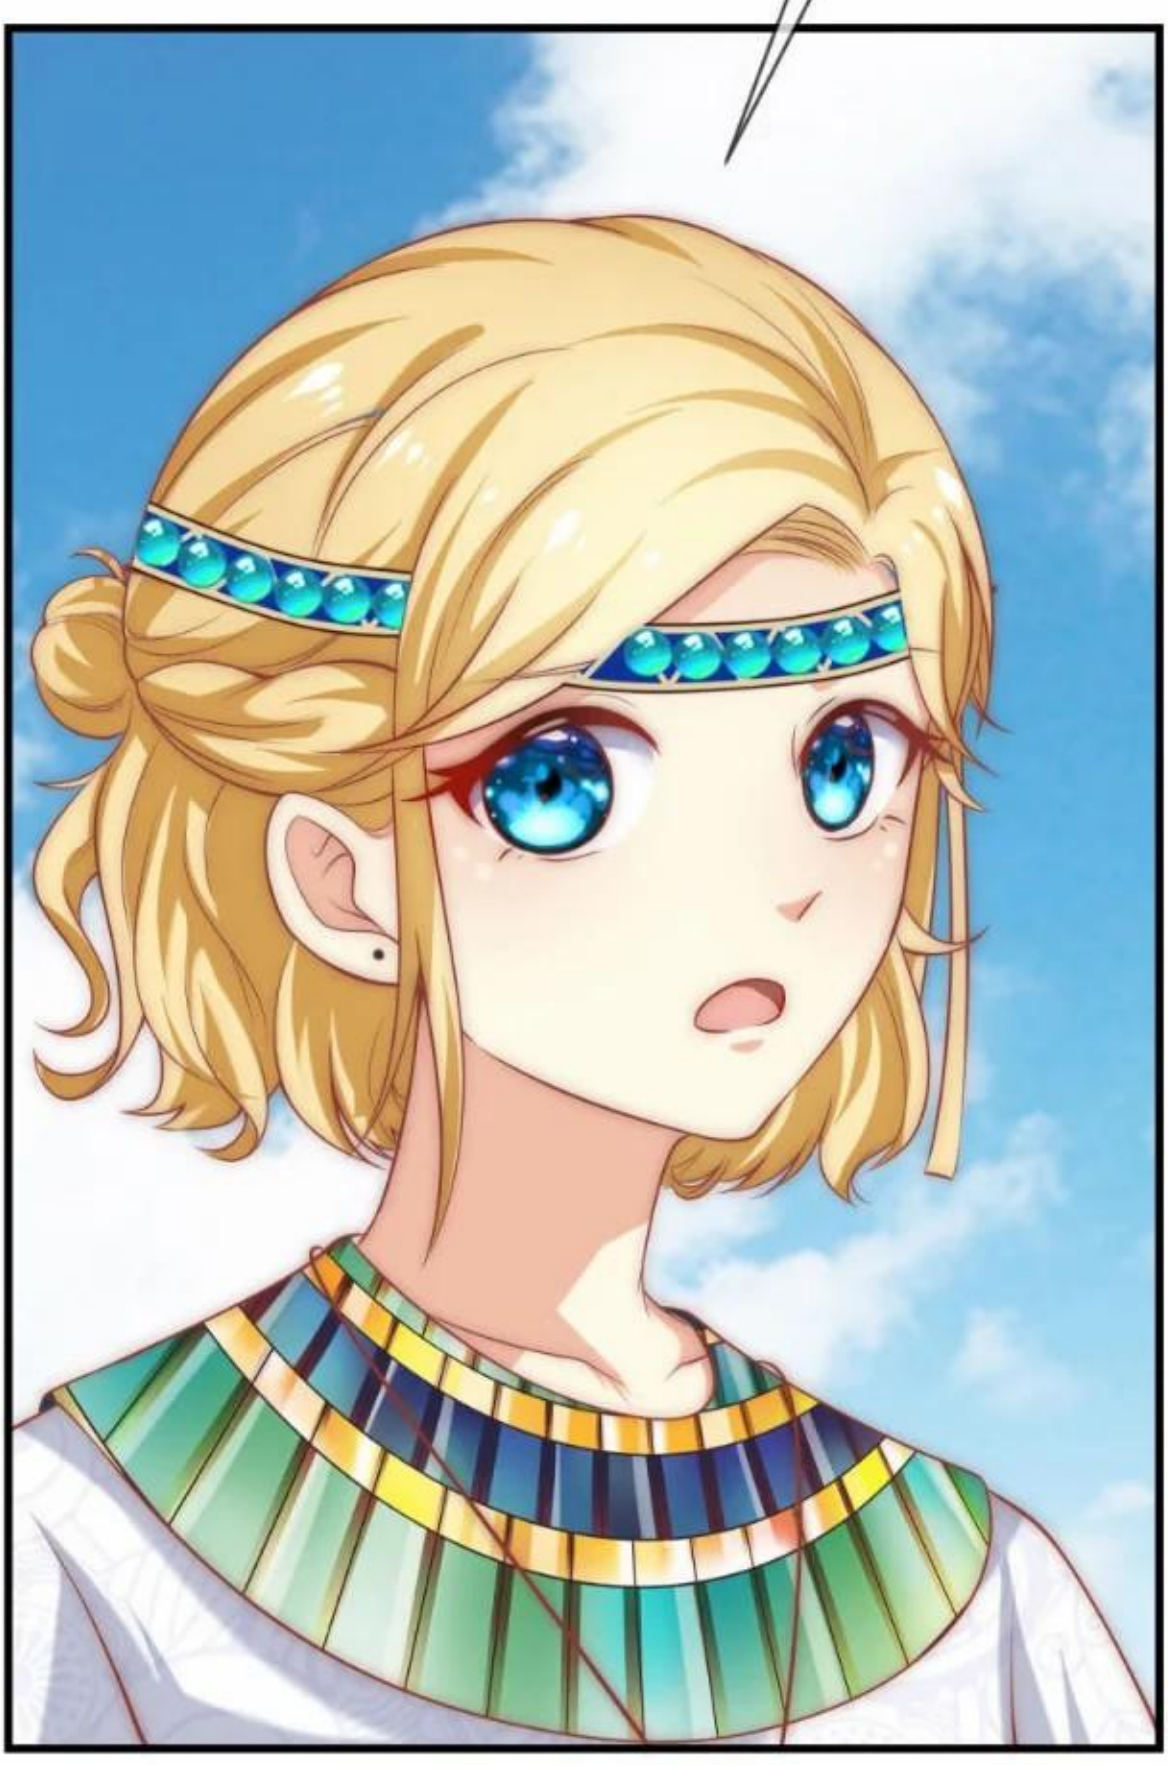
There are many talented people in our palace, but you said only you take care of Shu.

Ahaha, you are extravagant.

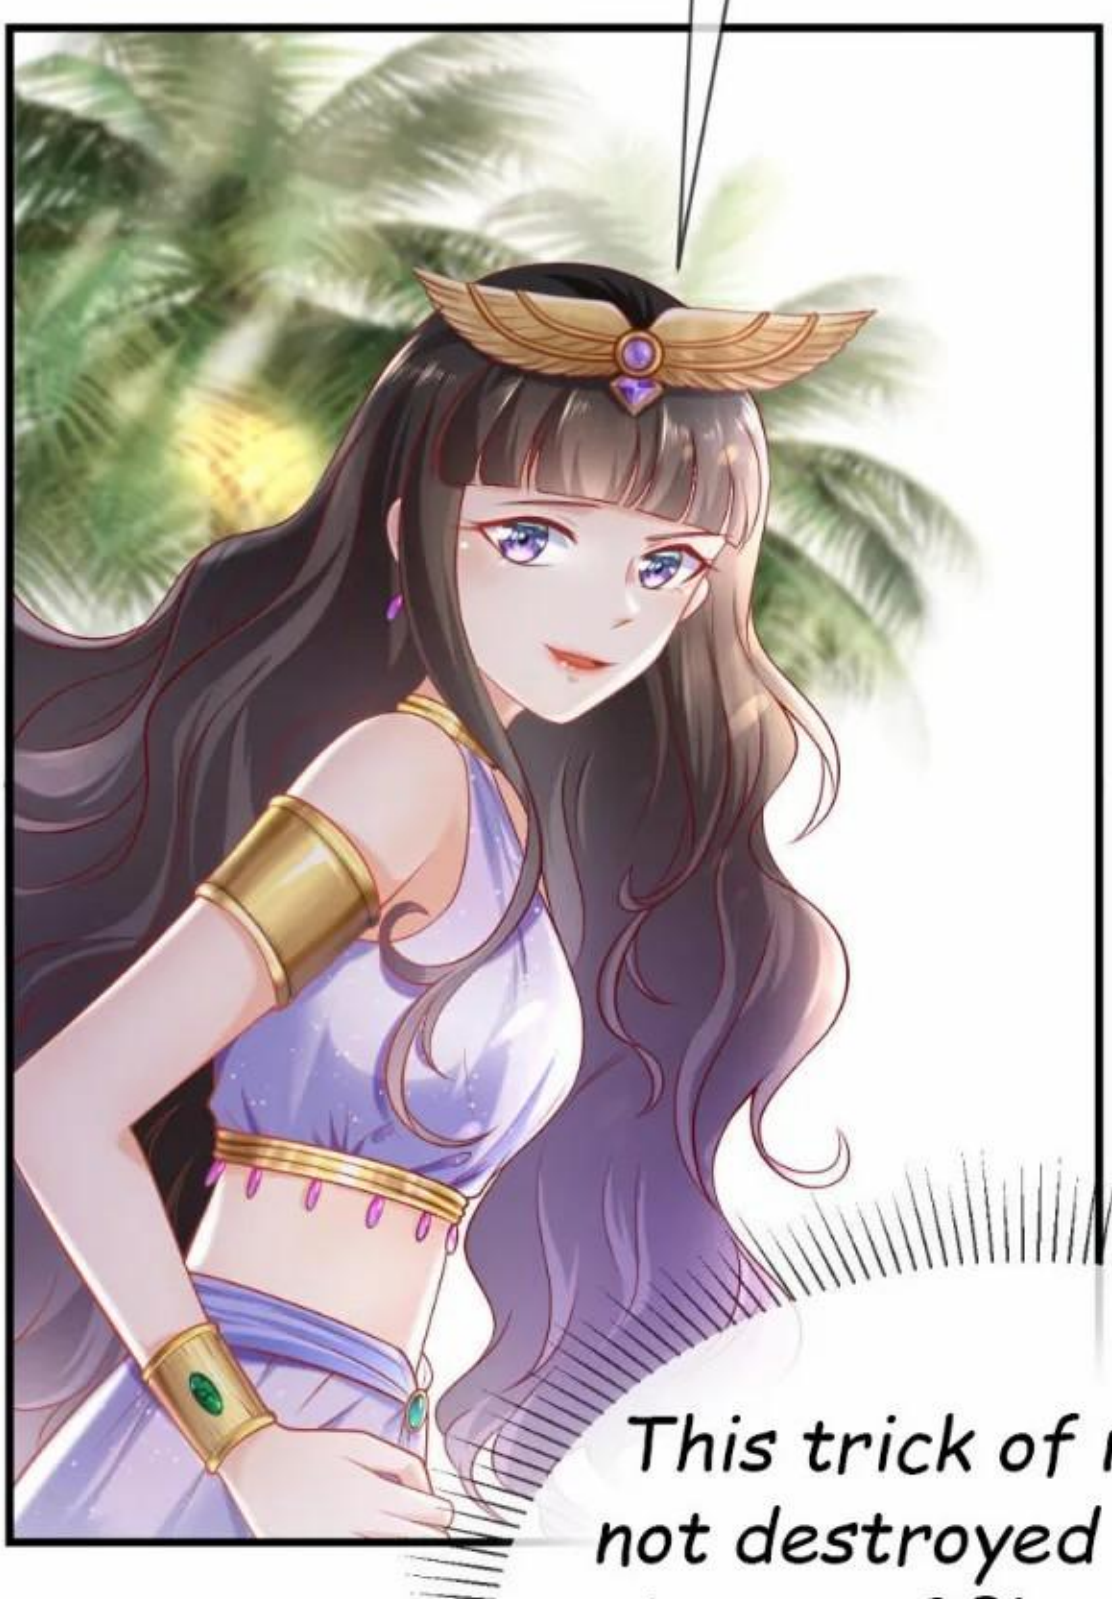
Inherently want to ignore you. But if so, give you a lesson.

Like this, ahead is the horse field. You choose a horse and compete with me. If I win, you have to kneel down and apologize to me in front of everyone.

So if I win?



If you win,
I ignore you.



This trick of mine has not destroyed the good image of Pharaoh and can teach this bastard. I wonder how he will praise me.

神漫画

You said it!

Wild horses in the horse field have not been tamed, will hurt others, do I need to stop this match, Pharaoh?

I'm here! No one can hurt that person!

Why does Pharaoh care about Prince Benil? Maybe ...

This is my favorite horse!

Really a good horse.

That is your horse.

That wild horse will hurt Prince Benil but I can't make a mistake with Princess Carmon, what to do?

You should apologize, Prince! Princess Carmon will not make it difficult for you!

I believe in Princess Carmon! Me too!

Maybe the race doesn't need to start.

Really a good breed. Muscles distributed evenly, looking very firm.

Go out of this palace gate and go east. Go to the obelisk and turn around. Whoever returns to the horse field first, that person is victorious. Do you understand?

Flat chest!

My chest is flat, I am arrogant, I am contented.

神漫画

Truly a goddess!

Glare

She was clearly not like that just now. She is deliberately competing with me.

Upper Egypt has a tradition of marrying a goddess, the princess may consider me, the son of the goddess, Zosai.

Is he direct?

If it's not a joke, you really have a different intention from her, you have to know the consequences you have to take.

Of course I'm kidding. Minap is the noble king, of course belongs to you.

Do they ask for my opinion yet ....?

I'm sorry, Kanute, for making everyone wait for a long time.

神漫画

Blankly

Hmph!!

? ? ? ?

Let's go!

Wait! She can't hunt with us!

神漫画

Upper Egypt can't accept a deceiving prisoner! She hides the gender, pretends to be a man, she definitely has a conspiracy!

The possibility she's hiding something else, and she wants to disadvantage Brother Minap or Brother Zosai!

Really? Do you hide me something else?

Not not ... Ahahaha ...

Am I Benil or not? Want Egyptian treasures or not? Is it a person traveling back in time? Is it mentioned?

You can't trust her! Because of revenge for her nation, she can lie anything.

What!

Do you think that I don't know much about other people, or do you think that a king like me blessed by Horus can't handle others even maybe a woman?

Karmon doesn't mean it, Karmon is worried about my brothers, worried about Upper Egypt ...

If you're so worried, you don't need to hunt. You stay and help Aria.

What!

Yes!

I am trying to prepare but Minap does not let me go hunting for a prisoner?

Don't cry! You are the princess of Upper Egypt!

Tell Brother Miap to let me hunt with him, Brother Zosai!

神漫画

Perhaps it would be better for you not to hunt, you should stay.

What?

Because of a princess, Minap does not bring the guardians in the hunt this time, not knowing what he will be in danger?

Wow!

This is exactly the market of ancient Egypt, I just read about it in the books.

So beautiful!

That's right!

Wow!

This girl ...

What's up?

Someone who eventually sees me as a woman.

神漫画

Want to die?

Cold Neck

She belongs to me.

HUG

Is this happening? Why don't I know this?

Follow me! A beautiful and simple girl like you is a prey to the fraudsters.

Alright!

Original honey and bread!

Happy
Happy
After 6000 years only the artificial honey was produced in Haizhou, the original honey was really special and delicious.

Is it delicious?
Yummy!

I want to eat, too!
咬

Really not bad!
This is a papyrus boat! So beautiful! Craftsmanship is good!
It is soft. After 6000 years, Haizhou papyrus was almost extinct and could no longer be woven into boats. I did not expect this to really float in ancient times.

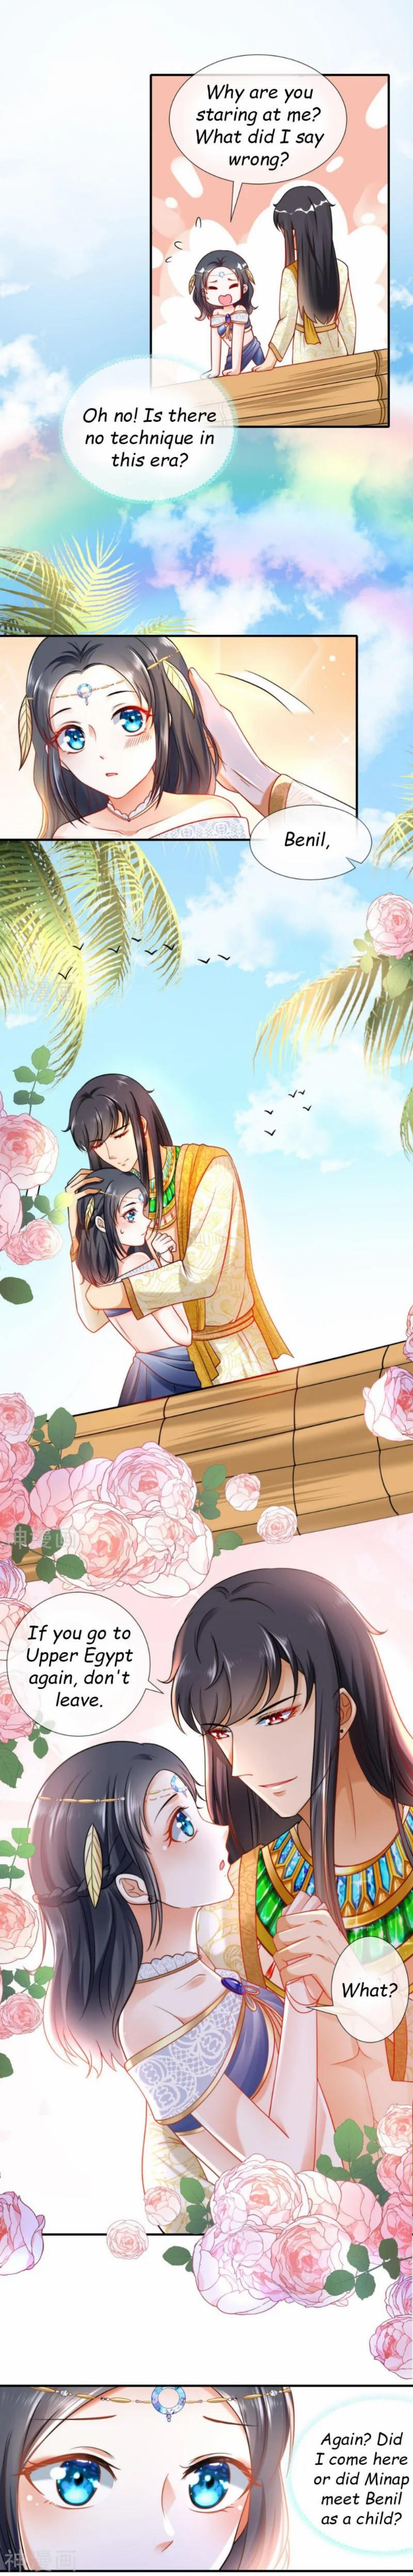
Unfortunately, the craftsmen have yet to find a way to graft wood, otherwise Upper Egypt could make a bigger boat.

What? Not hemp grass used?

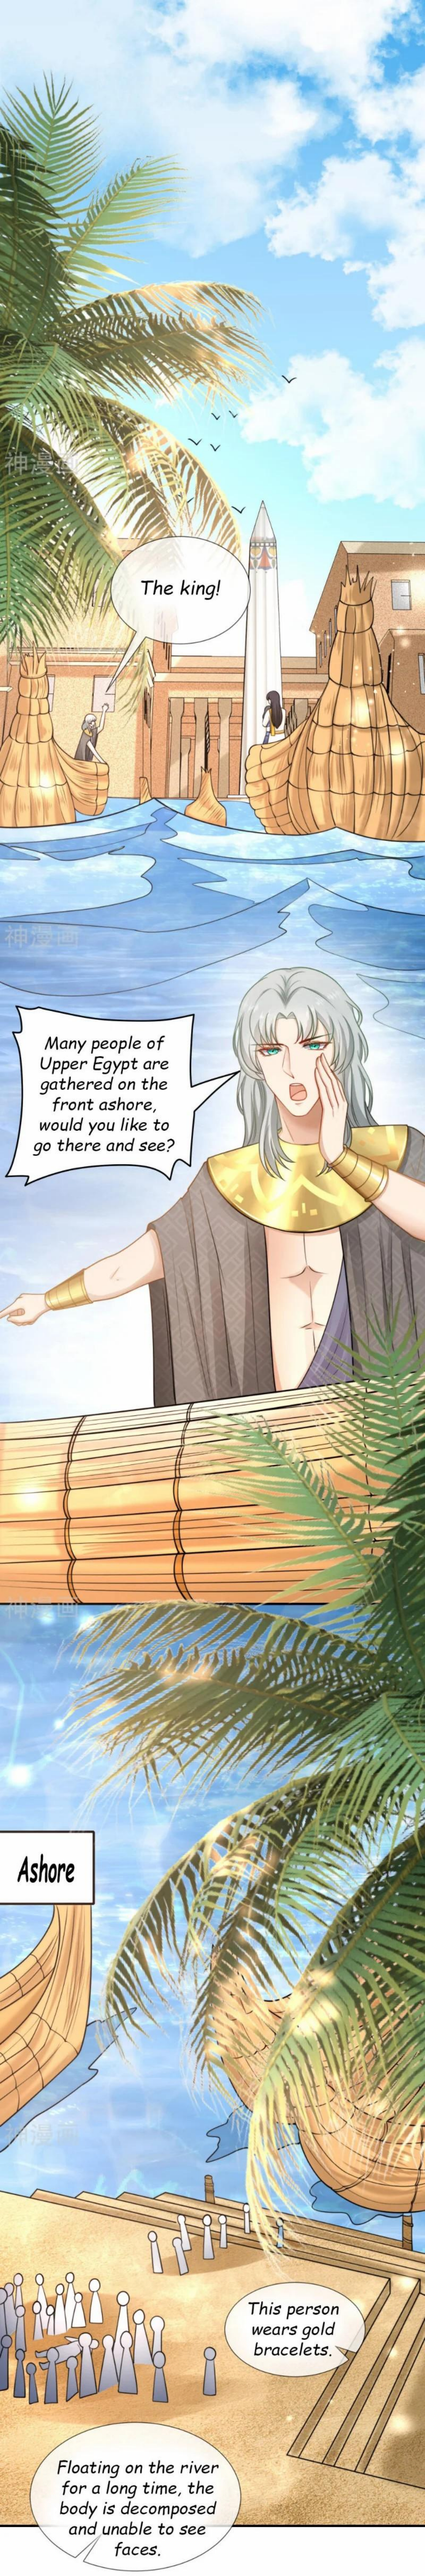
Hufu Sun Boat is made from this process.

.....

神漫画



Why are you staring at me? What did I say wrong?
Oh no! Is there no technique in this era?
Benil,
If you go to Upper Egypt again, don't leave.
What?
Again? Did I come here or did Minap meet Benil as a child?



The king!
Many people of Upper Egypt are gathered on the front ashore, would you like to go there and see?
Ashore
This person wears gold bracelets.
Floating on the river for a long time, the body is decomposed and unable to see faces.

Stay away! Please! Stay away! She seems to be my friend!

Many people wear similar clothes to Benil! The clothes are similar but it does not mean that Benil.

Sit Down

I gave her this, my hometown protective weapon is just for her.

Grab

The body has been immersed in water for a long time, the face is no longer intact, don't look anymore.

Crying ...

Unexpectedly, it became like this.

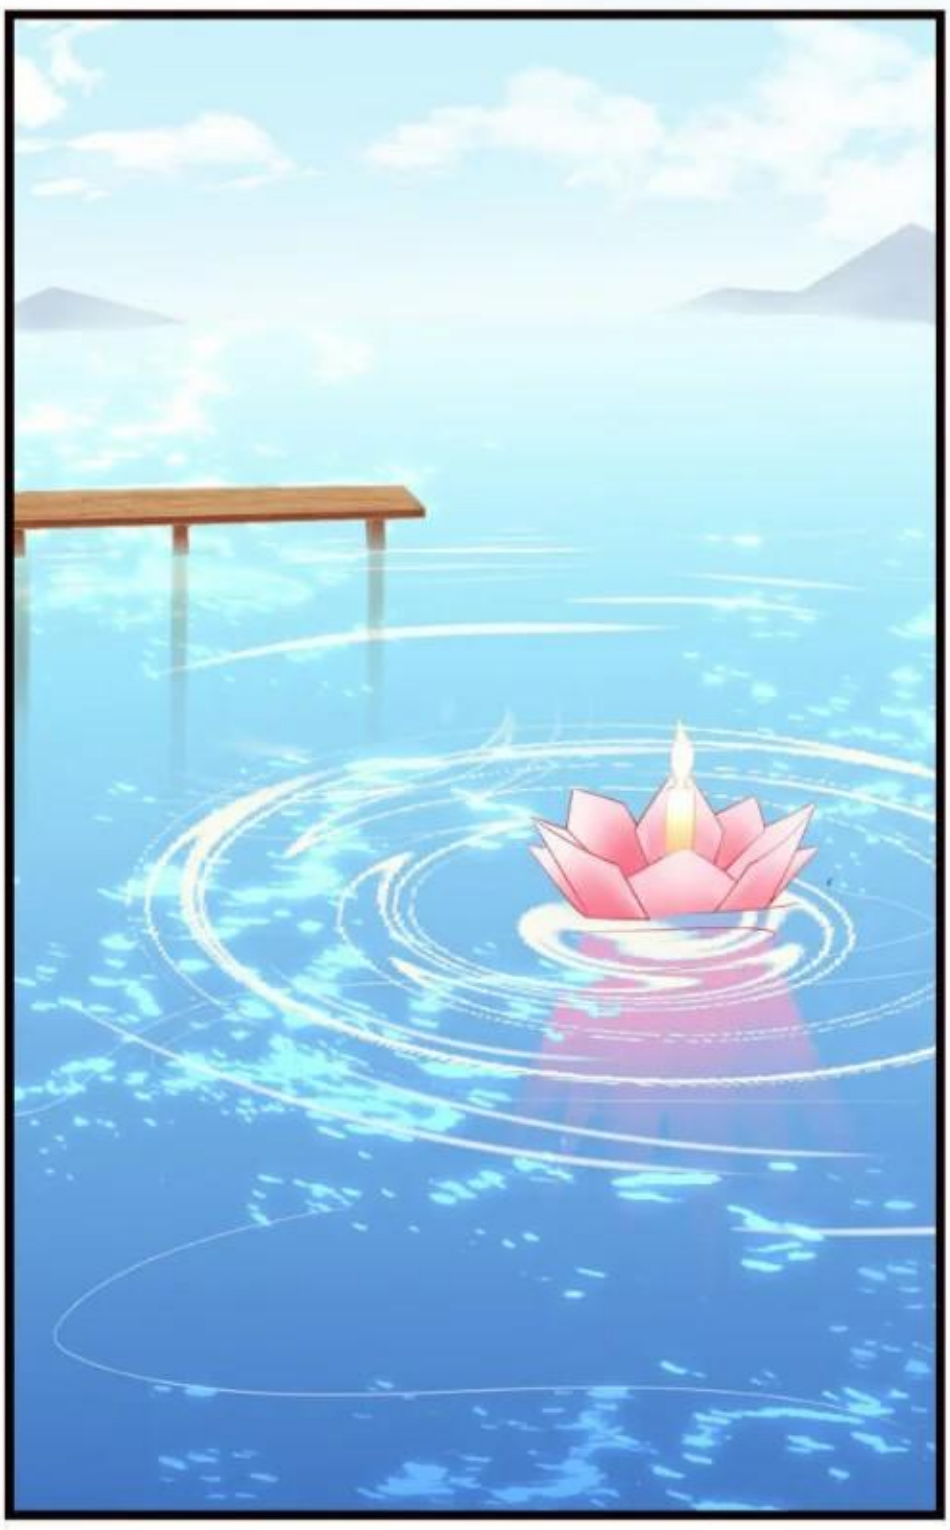
Benil ...

Don't be sad! I will send someone to bury her!

Stand Up!

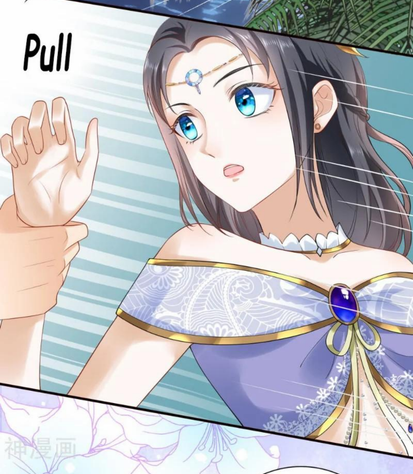
Thanks, Minap!

神漫画



神漫画

Hope the god bless Benil was born into a good family in her afterlife.
Benil,



Pull

Don't stand near the edge of the boat, otherwise you will fall into the water.

Legend has it that Osiris's power was hidden at the bottom of the river.

You stand near the edge of the boat, what if he sees you?

How is it possible! Only the ancients were superstitious and believed these things.

Not that you inherited the power of Horus, as they said, the patron saint of the king, Horus, will make everything smooth ~

What if I do not inherit the power of Horus? Do you hate me?

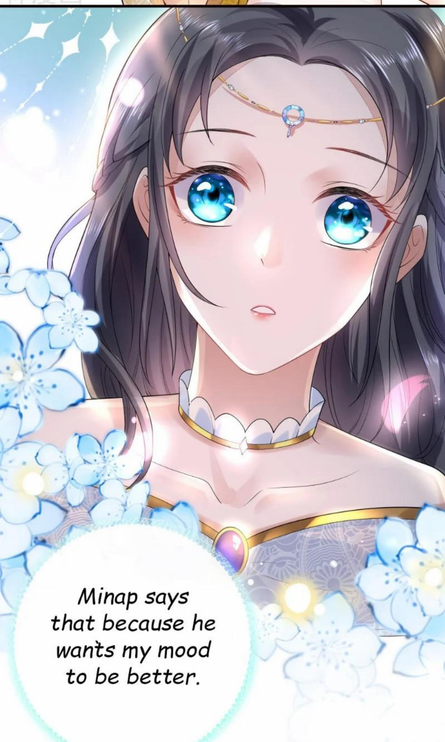
What?

What does he mean?

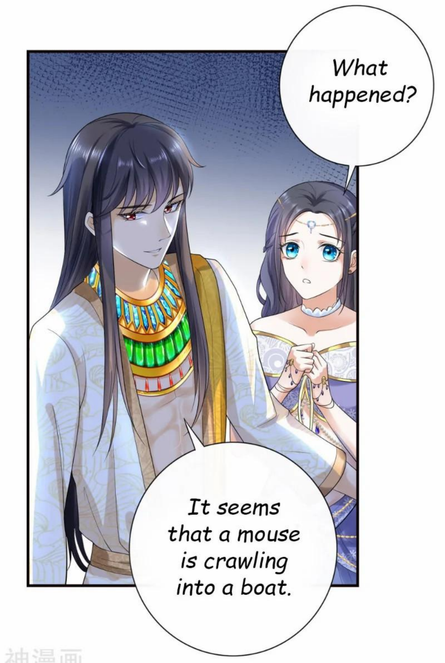
神漫画

Pfft!

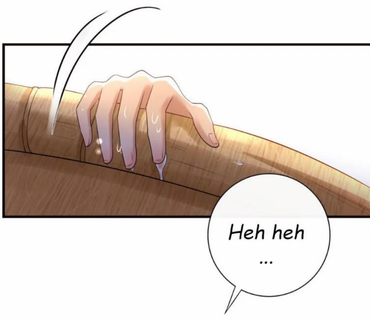
Seeing your serious attitude, I lie to you a few sentences. How? Is your mood better?
Point



Minap says that because he wants my mood to be better.



What happened?
It seems that a mouse is crawling into a boat.



After a while

Let's find Kanute.

Kanute will definitely detoxify you.

It also takes time to find Kanute, the assassins prepared before being here,

they take the opportunity to attack us when Kanute's boat is far from our boat, obviously they are well trained.

RUMBLE

That girl has blonde hair!

Legend has it that only a blonde-haired girl could take the treasure of Upper Egypt.

I was very lucky that I not only poisoned the king but also found the legendary blonde-haired girl.

The treasure is mine!

Hmm ...

Was it discovered?

King of Upper Egypt, you are poisoned by a poison that can kill a large elephant. It is a miracle that you have not yet fallen. I advise you not to act in a hurry.

That assassin is about to come here, Menis.

We get out of the boat and escape! Look for Kanute and it's okay!

The Nile will not accept me.

Keep it.

This is the symbol of the life I got in the temple when I was twelve years old.

You leave the boat and look for the kanute, he sees it and will obey your orders.

This is not a thing
that controls the gods
in Egyptian mythology?

So ...

You want to stay alone to fight him so I can escape, right?
This important thing, you keep it.
I don't want to lose a friend anymore.
I will lead him away!

Killing the king of Upper Egypt is a great feat.
Why doesn't he chase after me?
There's a way!
Menis is poisoned by you, you can come back to kill him anytime.

You catch me if you are brave! Even a woman you can't catch, you are useless.
Very good, Women!

Surely you do not see it once.

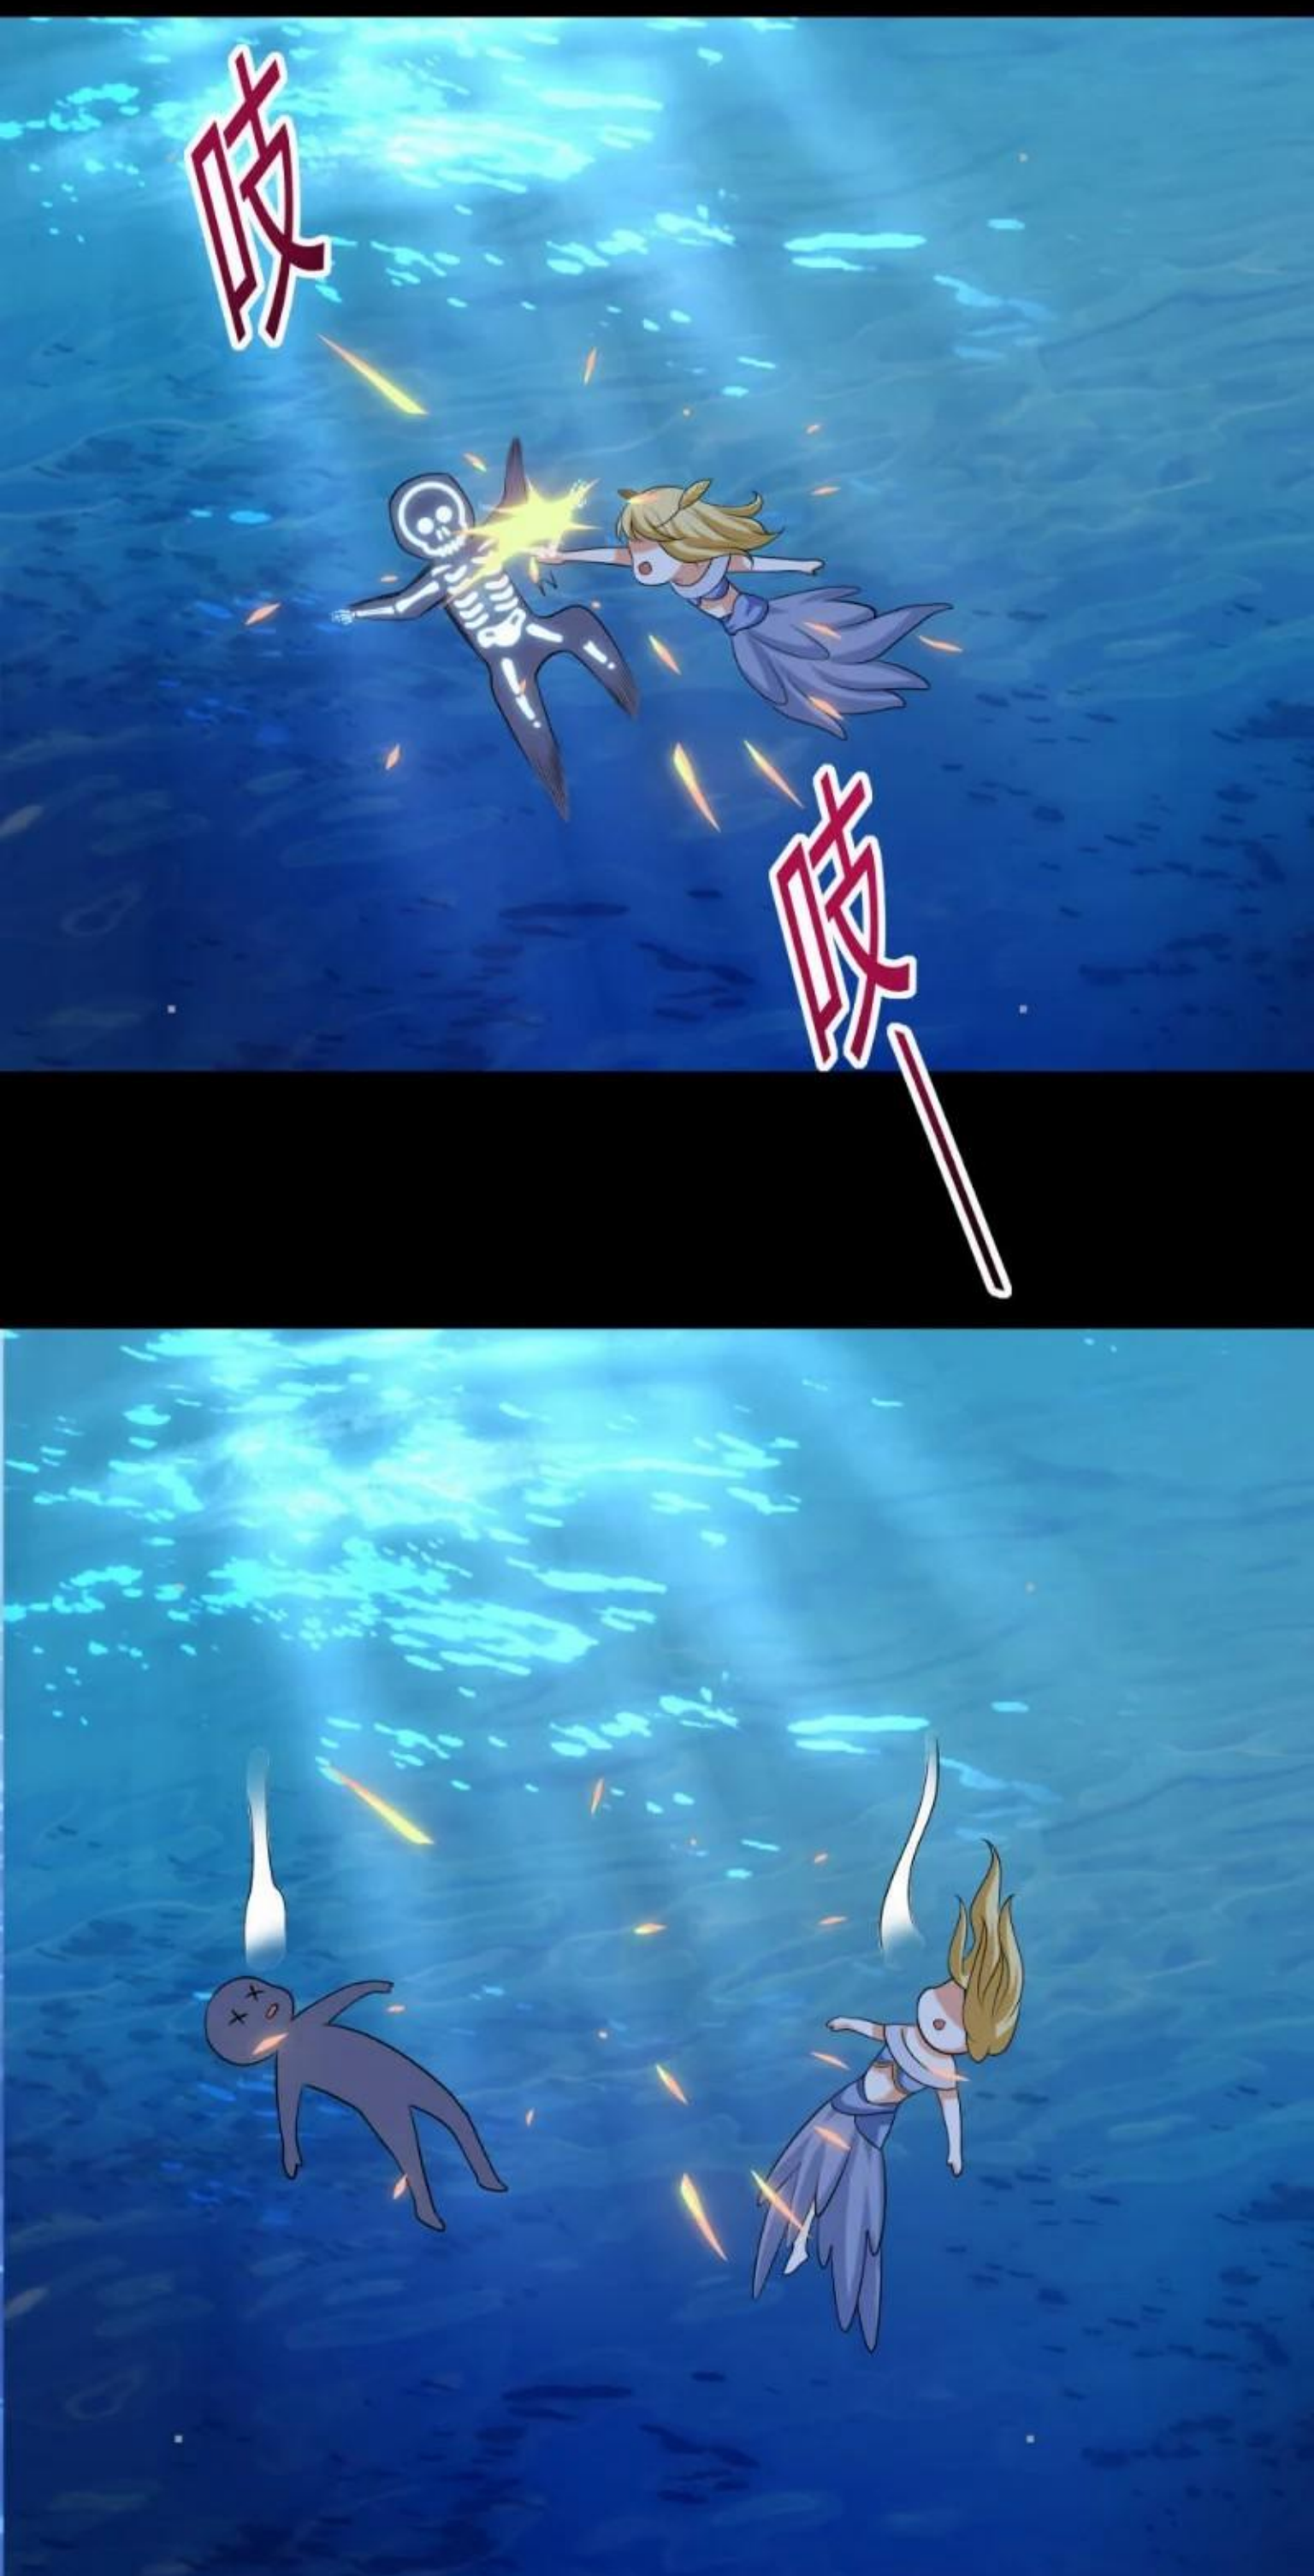
Our current people call it the "Hammer of the Thunder God"!

神漫画



Last time I couldn't help Benil,
at least this time I could help Minap.

Remember

Xiaoyao, can't get Egyptian treasure research,

my efforts are wasted. You have to help me!

The instability of a time machine can make you see an illusion of the past or the future.

Illusion ...

Is it this thing?
